

Hello! My name is Siam.

I'm **Thai**. I would like to
show you about my country.

Are you ready? Let's go!

Thailand

Flag of Thailand

There are three colors on Thailand's flag: red, white, and blue. Red means the nation. White refers to the Buddhist religion. Blue represents the monarchy. We can say that nation, religion, and the king are represented on the flag.

Capital of Thailand

Bangkok is the capital of Thailand. It is the most populous city in the country. The city is located on the Chao Phraya river bank. Bangkok is the center of government and transportation, banking and finance, communications, commerce and prosperity of country. It is also a city with the longest name in the world.

Languages in Thailand

Thailand's official language is Thai. The main language used to communicate and to speak throughout the country. Thai language is the standard form of writing.

The King Ramkamhaeng of Sukhothai was officially invented. There are minority languages such as Chinese dialects, Lao in the northeast, and Makay Pattani in the south.

Language.

Culture of Thailand

Thai culture is similar to the Asian culture, they show respect to their ancestors. The traditional Thai greeting is the less likely. They will be greeted when met. The elder would say on a similar status and social position would have decided who should pay homage to the one before as well. *Wai* is a symbol of respect for one another.

Tourist Attractions in Thailand

Phra Prang Samyot, Lop Buri

Raft - Houses, very popular in Kanchanaburi

In Thailand, there are many attractive places for tourists. For example, Kanchanaburi is a good place for nature lovers, where they can raft down the stream watching scenery. The Death Railway and the Bridge over the River Kwai are also located here.

On a trip to Saraburi, Buddhists should not fail to pay homage to the Buddha's Footprint there. Lop Buri is famous for shrines in the Khmer style, the remains of King Narai's palaces of the 17th century, and the sunflower fields.

Amazing! I love
Thailand..

Mae FaLuang Garden,
Doi Tung, Chiang Rai

Chiang Rai located at the northern tip of Thailand in the very heart of the Golden Triangle, gains fame from its views, hill tribes and exciting elephant-back riding tours.

The most prominent tourist attraction in the South is Phuket, the biggest island of Thailand located in the Andaman Sea. It has rapidly become one of the best known seaside resorts of the world.
