แต่..หัวใจทุกดวงที่มีรัก •:*~*?:•.

...all what do you do with five-hundred mil-
lions of stars?"
"Five-hundred-and-one million, six-hundred-
and-seventy-two thousand, seven-hundred-thirty-one,
and uncounted with numbers of consequence; I
know not."

"What do you do with these stars?"
"What do I do with them?"
"Yes."
"Nothing, I love them."
"You own the stars?"
"Yes."
"But I have already seen a king who..."
"Kings do not own, they reign over. It is a very
different matter."
"And what good does it do you to own the
stars?"
"It does not the good of making one rich."
"And what good does it do you to be rich?"
"It makes it possible for me to buy more stars."
"This man," the little prince said to himself,
"is a little like my poor tippler..."
"Moreover, he still had some more questions."
"How is it possible for one to own the stars?"
"By whom do they belong?" the businessman
asked, patiently.
"I don't know. To nobody."
"Then they belong to me, because I was the
first person to think of it."
"Is that all that is necessary?"
