แต่..หัวใจทุกดวงที่มีรัก •:\*~\*?:•.

What do you do with five hundred million...  
of state?"  
"Five hundred-and-one million, six hundred-  
and-seventy-one thousand, seven hundred-thirty-one,  
and unaccounted with millions of counterparts; I  
don't know."  
"What do you do with these state?"  
"I don't know."  
"What do I do with these?"  
"Yes."  
"Nothing, I love them."  
"You own the state?"  
"Yes."  
"But I have already seen a king who..."  
"Kings do not own, they reign over. It is a very  
different matter."  
"And what good does it do you to own the  
state?"  
"It does not the good of making one rich."  
"And what good does it do you to be rich?"  
"It makes it possible for me to buy more state."  
"This man," the little prince said to himself,  
"is a little like my poor tippler..."  
"Moreover, he still had some more questions."  
"How is it possible for one to own the state?"  
"To whom do they belong?" the businessman  
asked, curiously.  
"I don't know. To nobody."  
"Then they belong to me, because I was the  
last person to think of it."  
"Is that all that is necessary?"
