

กลอนรักวาเลนไทน์...

นำเสนอเมื่อ : 10 ก.พ. 2552

*Be my
Valentine, my
love,*

As

*I will be for
you,*

*And we will
love the
whole day
long,*

*And love our
whole lives
through.*

For

*love has no
parameters*

*And does not
end with
time,*

*But is the
gift of
paradise,*

A

*pinch of the
sublime.*

So

*let us take
this holiday*

To

*resubmit our
love*

To

*those within
that know no
sin*

*And with the
angels move.*
